March 30, 2020

Dear Friend,

First, I hope this email finds you healthy and safe. Since COVID-19, also known as the novel coronavirus, began spreading across the globe and across the nation, I have been working to ensure Iowans have what they need to combat this illness. Since last month, Congress has passed three bipartisan pieces of legislation to assist individuals, healthcare providers, frontline first responders, small businesses, along with cities and states. These bills are helping get the financial assistance to where it is most needed.

I know there are a lot of questions about what was included in these bills. Below I have compiled a COVID-19 Information Guide, which includes a list of topics that you may have questions about and links to information to help get you the answers you need.

Please know I will continue to fight to ensure Iowans and all Americans get the coordinated, fully-funded, whole-of-government response that they deserve. We must all work to keep our loved ones safe from the COVID-19 illness. Be assured I will continue working with my colleagues on future legislation to make sure hardworking folks get the care they need and have economic security going forward.

Sincerely,

Dave Loeb sack
